1. About Maria

Hi everyone my name is Maria Rathbun and I work here at Zing Credit Union as the Business Services Program Director. How long have you been at Zing/ I have been at Zing for eight years uh I started as a teller, got promoted to MSR, assistant branch manager and now I'm the business services program director.

2. About Maria Part 2

What is your role here at Zing? I'm the business services program director I oversee all deposit and lending for our small business here at the Zing Credit Union I also I'm very involved with our community partners to provide the best quality service for business members.

3. Working with Business Partners

What is your favorite part about interacting with our business partners? I want to say that the best part about interacting with our business partners is that every day is different and the variety of opportunities that they have to offer to our business members.

4. Financial Advice

What piece of advice financial or not would you give someone starting a business? I think the best piece of advice that I can give one of our business members that is just a starting would be to be patient, enjoy the journey and to decide what they want to do.

5. Maria's Hobbies

In your free time what do you enjoy doing? I love spending time with my husband and my two children we love going for hikes, the movies is a must every weekend, and during the summer obviously pool time and beach time.

6. Productivity Tool

What's one productivity tool you couldn't live without? I don't know if this is a productivity tool but if I want my day to be productive I need to make my bed first thing in the morning. Once I have that done then everything moves easily if I'm at work and I'm starting to do my day-to-day activities. I will say I will work for a whole 45 minutes very focused and then take a five minute break I try to stretch a little bit, sip of my coffee and then back at it.

7. Opening a Business Account

What do you recommend considering or having before opening a business account? I will say that the first thing to keep in mind before you open your first business account is to register your business with the secretary of state and have your business plan at least for the first 3 to six months. Once you have that said go ahead and open your business account with Zing.

8. Business Banking at Zing

Why would you recommend business banking at Zing? I think the best part of our organization is our business partners and the personal services that we provide to all our business members. You will have a variety of opportunities to learn from we're going to educate you along the way and we're going to prepare you for what life has to offer you.
